## RELEASE FROM LIABILITY-VOLUNTEER WORKERS

I, (name) \_\_\_\_\_, of (street, town, phone) \_\_\_\_\_ do hereby state that I desire to do volunteer work at the Lincoln County Animal Shelter in such capacity it is my understanding that I will come into contact with dogs and cats. I fully realize it is entirely possible that such close contact with these animals could result in injury to my person (body and/or clothing). I may be bitten or scratched; clothing may be torn; and while walking an animal, I may be pulled by that animal or caused to fall by that animal.

Assuming that the foregoing could occur (though not necessarily limited to the foregoing), I hereby agree not to hold the Boothbay Region Humane Society, Inc. its agents, servants and employees, or the successors or the assigns of said corporation, liable for any injury or damage incurred while performing volunteer work.

It is my understanding that the employees of the Boothbay Region Humane Society, Inc. have been instructed not to expose any volunteer worker to animals which have shown the slightest degree of being unstable or unfriendly. I realize that even the most docile or otherwise good-natured animal could become hostile; thus I shall be on guard at all times to protect myself from injury.

I acknowledge that I have read the foregoing and have discussed it with a representative of the Boothbay Region Humane Society, Inc., and understand that this is a release of liability against that organization, its agents, servants and employees as well as any successor or assigned corporation.
